

Average 2016 Prices for Selected High Volume Services

Upstate University Hospital serves over 30,000 inpatients and 550,000 outpatients at its Downtown and Community campus. We are a Level 1 Trauma Center providing adult, pediatric, and geriatric emergency services, burn care, Cancer treatment, Transplant services as well as a wide array of medical/surgical and orthopedic care. As a public teaching facility we offer cutting edge technology and care regardless of your ability to pay. Staff at our Financial Resource Center will assist you in obtaining coverage with Medicaid, a Medicaid HMO, or insurance offered through the Marketplace. Financial assistance is also available to qualified patients

The information provided below represents a sampling of the hospital charges for some of our more frequently provided services. There could be variations in the charges based on the individual treatment or the care required. They do not include the services provided by your physician, surgeon, or anesthesiologist and these fees will be billed separately to you. If you do not have health insurance and qualify for financial assistance you will be eligible to receive a discount from these prices. If you need further assistance with understanding the charges for the services you will be receiving please contact us at 315-464-8385.
